- 5) Demonstration that the Contractor's Unique Qualifications or Nature of the Acquisition Requires the Use of the Authority Cited Above (applicability of authority): Within the VHA brand name med/surg items may be prescribed by physicians when in their clinical judgment the brand name med/surg items will provide a better therapeutic outcome for patients. Brand name med/surg items are requested when there is a clinical requirement for the item. In this case, the brand specific med/surg item name is requested on the list above.

8) Description of the Market Research Conducted and the Results, or a Statement of the Reasons Market Research Was Not Conducted: After searching NAC & GSA, there are no available contracts for any of the items requested. A search of the Center for Veteran Enterprise Vendor Information Pages indicates there are 80 SDVOSB or VOSB vendors and a query at the SBA Dynamic Search portal returned 945 possible small business vendors. However, these vendors are not engaged in manufacture, but are distributors for large business wholesalers. Because the Government is not allowed to do business using Wholesale Trade or Retail Trade NAICS codes, searches must be conducted using the manufacture NAICS code of 339112 Medical Surgical Instrument Manufacturing.
